

# Principals' Leadership Programme

Explore, Innovate and Reinvent your school through these powerful experiential learning sessions certified by renowned universities of the U.K.

PLP is a unique opportunity for school Leaders to come together and explore the Indian school Management framework vis-a-vis the International framework through an experiential mode of learning.

## Highlights

- Designed as a 7-day International educational tour
- 3 Day Conference on School Management at the University
- Exposure to International Systems via school visits
- Training by Professors of Universities in UK
- Optional visit to ongoing educational event, if any.
- Learning through collaboration with peers
- Continued support in learning through regular QEA Board meetings
